A WARNING

The letter below has been received by Sheriff Miller and is self-explanatory.

Fort Worth, Texas,
March 25, 1918.

To the Sheriffs and County Attorneys of the Northern District of Texas.

Gentlemen:

You have probably noticed in the papers of the efforts of this Department to stop the circulation of a book entitled, "The Finished Mystery," which is the result of the most open German propaganda which has been undertaken in opposition to the war in which we are engaged.

I should appreciate very much the co-operation of the local officers throughout the district in stopping further circulation of this book and to this end make the following requests:

1st: That you publish a notice in your local papers containing a warning against the further circulation of the book, and advising all persons having copies of same to deliver them to you. You may then deliver these copies to the postmaster of your city, to be forwarded to this office without expense to you.

2nd: That if you are advised of an attempt to continue the circulation of this volume, after the publication of the notice referred to, please report same promptly to me, as it is our intention to vigorously prosecute all such cases. I shall assume, however, that the circulation of same previous to the publication of such notice was done without knowledge of the real nature of the purpose of the publication, and will not begin prosecutions in such cases.

Thanking you for your co-operation in this matter, I am

Respectfully,

W. M. Odell,
United States Attorney.

COMANCHE AND GUSTINE CONTEST IN JUNIOR DECLAMATION

On last Monday night interest centered in the declamation contest between Comanche and Gustine Junior declaimers.

Through error in classification during the track meet last week two sets of juniors were declared winners and as Gustine and Comanche pupils were the contestants a declamation contest was held on Monday night at Gustine which was well attended by Comanche people and in which much interest was manifest.

The two Comanche pupils competing were Winston Scurry for the boys and Laudis Edge for the girls. For Gustine Rufus Haggard and Vada White. In the contest Rufus Haggard proved winner for the boys and Laudis Edge for the girls. Thus dividing the honors squarely between the two towns.

A LETTER TO CO. CHM. OF LIBERTY LOAN COMMITTEE

Dallas, Texas, March 25, 1918.
Mr. H. Burks, Co. Chm. Liberty Loan Committee,
Comanche, Texas.

Dear Sir:

As you are aware the Third Liberty Loan Campaign is going to be conducted in a much more thorough manner than any previous loan, and the personal responsibility of every citizen is going to be brought home to him in a manner never attempted before.

In this line of thought, we want you to be prepared, after the campaign has been in progress for about two weeks, to give to us a list of the names and addresses of every man in your county who is well known to possess wealth, and who has not done his full share in the purchase of Liberty Bonds. That is to say, who has not purchased just what you consider to be his individual quota. We trust you will have the names ready for us on call.

You will realize the necessity and advantage of such a course and you will recognize that it will call for your watching your subscription list very closely—this is one of the duties which we ask you to assume in this campaign.

We ask you to realize that records and data relating to the Third Liberty Loan Campaign, must be of permanent character, and we ask you to keep these records by you subject to our call at any time.

We know that we will receive your hearty co-operation in these very important matters.

Very sincerely yours,

J. W. Hoopes, Deputy Governor.

ATTENTION GROCERS

Comanche, Texas, 4-11-1918.

To the Public:

The United States Food Administration some time ago stated that sugar would be supplied to the housewives for preserving purposes, and as the preserving season is now here, I think it advisable that some plan be adopted to cover the sales of sugar for preserving purposes, and I give you below a form suggested to be used by the merchants selling sugar for preserving purposes:

"This is to certify that I require _____ pounds of sugar at this time to be used by me for preserving purposes exclusively, and if same is not used by me within the next 20 days after purchase, I agree to return same to the merchant from whom purchased."

The above applies only to those who desire an additional amount of sugar for preserving purposes, but for other purposes you will still be confined to the monthly allowance of 3 pounds per head per month. I am, yours very truly,

S. C. Findley,

County Food Administrator.

WITH THE LOCAL EXEMPTION BOARD

The Local Board will send two men to College Station on the 15th instant where they will undergo a two months course in automobile engineering. The two men to be sent are Byron Grainger and E. L. Carpenter.

On the 26th instant or thereabouts there will be sent a large number but the exact number and the exact date of entrainment cannot be given. Owing to the fact that the farmers have been given the preference in being the last shipped it is quite likely that all the boys who have not been given the deferred classification on account of farming will be taken in this increment and will be sent to Camp Travis.

Comanche County Subscribes Heavily for Liberty Bonds

LIBERTY LOAN MEETINGS HELD OVER THE COUNTY

The Liberty Bond Campaign in Comanche county started with a big rush last Saturday by buying over \$90,000 worth on the first day.

At various places in the county Liberty Bond Rallies were held in the afternoon of Saturday, all the stores closing for the occasion. Rallies were held at Sipe Springs, De Leon, Comanche, Proctor, Duster and Lamkin.

This week there have been meetings held at Newburg and Whitville and later in the week other meetings will be held.

Comanche Holds Rousing Meeting
The Liberty Bond Rally held at Comanche proved to be a rousing meeting and was attended by practically every man in Comanche and many from the country nearby.

The program as published was carried out and after the opening songs addresses were made by Messrs. H. N. Goodson, Geo. E. Smith, J. E. Milton and others.

When the subscriptions were opened \$15,000 was subscribed in a few moments and when the smaller subscriptions were called for secretaries were kept busy writing the names of the purchasers.

During the meeting there was subscribed \$43,350 which was pushed up after the meeting had closed to nearly \$45,000.

The De Leon Meeting

At the same time the meeting was in progress at Comanche De Leon was having a similar meeting at which \$40,650 was raised.

Other Meetings.

Other meetings were held at Proctor where \$24,000 was subscribed; Sipe Springs where an

address was made by Prof. Holmway and where \$4,300 was subscribed; Lamkin where \$1,200 was raised, which added to the \$800 already raised at that time at Downing and \$1850 which had been secured at Duster, brought the county total up to \$94,600 for the first days work.

In addition to this there was raised at Newburg \$2,500; Whitville \$200; Hasse \$1,950; and \$1,500 more at Lamkin, bringing the total up to near the \$100,000 mark, and with what has been subscribed during the week at De Leon brings the total well over that amount.

Other Dates.

Other meetings were held on Thursday night at Sidney and Gustine to which Comanche sent delegations but of course to the time a report of the amounts sold could not be published in this week's paper.

Other meetings will be held at Hasse on Saturday night; Proctor and Energy on Monday night and Gap and Beattie on Wednesday night.

That the Third Liberty Loan is progressing with much more success in the county of course is self evident which may be attributed to the fact that there is an increased interest in the Liberty Loan and at the same time the county has been much more thoroughly organized under the chairmanship of Mr. Burks and his assistants.

Comanche must oversubscribe its quota this time and will in all probability do so as it is hoped to have reached the \$150,000 mark before the school house meetings have been completed and then the individual campaigning will take place.

TRUSTEE ELECTION PASSES QUIETLY

The election for trustees for the Comanche school district passed off very quietly last Saturday. The following being the result of the votes cast:

George Sullivan, 99.
W. T. House, 105.
J. H. McMillan, 136.
I. A. Herring, 47.
O. R. Houghton, 47.

Roger Hasley Sells Interest in Popular Restaurant

Roger Hasley last week sold his interest in Bob & Rog Restaurant to Bob Meyers and has left for a few weeks visit with his parents in Arkansas. Messrs. Meyers and Hasley opened this place some 7 years ago and have built up one of the best and most popular restaurants in this section of the state. Among those who eat at restaurants this place was known to all who traveled as the best restaurant to be found anywhere, and we predict a continuation of its popularity under the management of Mr. Meyers.

Notice to Water Customers

Hereafter all water bills will be collected at the City Hall and should be paid to "Uncle Bill" Davis instead of being sent to the pumping station. This is done for the convenience of the water customers.

LOCAL RED CROSS

Schedule for Surgical Dressing Classes.

A room has been secured on the second floor of the Masonic building for the surgical dressing work, and the classes will be held every afternoon from 2 to 6. The church societies will take charge as hostesses for the various afternoons, and it is expected that each church have a large representation on its day. But others are also wanted just the same. If you do not belong to a church society come the afternoon most convenient for you. Two hundred workers are wanted in the course of each week.

Below is the schedule.

Monday afternoon, Episcopal ladies, Mrs. L. B. Thomas, hostess. Tuesday, Presbyterian, Mrs. I. C. Gage, hostess. Wednesday, Christian, Mrs. R. F. Holloway, hostess. Thursday, Methodist, Mrs. Dr. Clemons, hostess. Friday, Baptist, Mrs. Wm. Reese, hostess. Saturday, young ladies afternoon, Miss Ann Palmer, hostess.

A new shipment of sewing has arrived at the work room, so there is work for everybody.

Card of Thanks.

We take this method of expressing our thanks to our friends and neighbors for their kindness to us during the sickness and death of our dear husband and father. Accept our thanks for the beautiful floral offerings placed on his grave. Your kindness to us makes our loss easier to bear. May our kind Heavenly Father bless each of you.

KEEP IT SETTING ON YOUR MIND that Comanche county must build up its roads that are to become a part of the Oil Belt Highway. Keep it in your mind that the only way on earth that we can build a road is by the bond issue plan. Also keep it in your mind that the money spent in building roads will all stay in Comanche county. It is to the interest of us all to build some permanent roads in the county.

THE CAMPAIGN IS ON—KEEP YOUR EYE ON THE CAMPAIGN LIAR. Remember that a man who spreads lies in a campaign will tell them whenever it is to his interest to do so. A cow which once breaks into a field can never be trusted to stay out. A man who will lie under some circumstances will lie under any circumstances if it is worth anything to him to do so. Remember, too, that the man who tells some harmful tale that he does not know to be the truth is a far worse liar than he who invents the falsehood.

DO YOU APPRECIATE IT? If so there is a way in which you may show your appreciation.

LETTER FROM SAN PEDRO

Dear Uncle George:

I will write you a few lines this morning. I have just got up ready for breakfast. Well, I enjoyed my trip out here just fine, but I got a little tired Friday evening. I sure did see some pretty country. I wouldn't take a hundred dollars for my trip out here besides what

I have seen since I have been here. They stopped our car Friday night in the camps at San Pedro within 50 yards of the 53 A. T. and brother Jacob came down to see me just as soon as we got up. He sure is looking fine and healthy. I did not get to talk with him but a few minutes as he had to go and prepare for inspection. Well, I won't get to see him again for 21

days as we are in the quarantine for 21 days, but we sure have a pretty location. We are under the hill beneath the coast defence guns and right on the edge of the ocean. Our camp is within 100 yards of the cliff but we are not allowed to cross the fence or climb the hill while here, but we can see all the water, ships and gulls we want to.

I think I am going to like the army life all right. We got part of our outfit. We got 3 blankets, 1 cot, 1 cot tarp or slicker, 1 clothes bag, comb and brush, clothes brush whisk broom, shoe shine, soap, tooth brush, a small pair of scissors, needles, thread, buttons and safety pins, and Jacob gave me a soap box yesterday morning, and we also got two towels and stationery. I guess we will get our uniforms Monday or next day. We are all having a good time. The waves sure are rattling and roaring this morning. We can see the light house and Cataling island from here. Well I had better close as it is about time to fall out to breakfast; so this is all for this time; so write soon and all the news. With love to all, from Amos T. Tyson. Recruit Detachment, Upper Reservation, Ft. McArthur, San Pedro, Cal.

Some Good Advice.

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.

The local picture people have booked a series of pictures upon the best child literature of the world, such as Jack and the Bean Stalk; Alladin and his Wonderful Lamp, etc. They are known as the Fox standard pictures and are clean, wholesome, and educational, especially to children. Good shows like good books and good companions are broadening and uplifting. Every child should see these pictures. From the grownups standpoint if you want good shows for your young, encourage your show proprietors by liberal patronage of these high grade pictures for they are expensive to the show people. And remember if you fail to attend the educational film and the smutty one draws a splendid crowd you have no right to complain if the show people bring on what you have by your actions asked for. If you appreciate the efforts of Mr. Ardis to give you a par excellent show then show your appreciation by attending and bringing the children.

OUR SOUL AND OUR ADVERTISING. Swift & Co. decided to take their case to the people when attacked by the Department of Justice. They chose to take it to the people by buying advertising space in the country papers realizing that they are the only medium that reach the rural homes. Accordingly they passed out a liberal advertisement to the country press. We note many of these country papers immediately begun writing over their own name series of articles justifying the actions of Swift & Co. and making it appear that they were mistreated by the U. S. Department of Justice. Of course these country editors know nothing of the merits of the case against Swift & Co. and their readiness to defend the packers immediately upon receiving patronage shows that their souls are thrown in free with their advertising space. Excuse us. We appreciate Swift & Co. advertising, but our soul is a different part of our mundane creation, and is not influenced by patronage. Their case may be entirely just. If it is an injustice we are not sufficiently informed to venture an opinion. But in the face of this fact the rural press has no right to resent the charge that the influence of many papers can be had by those willing to pay the price.

GOING AFTER THEM. We note that the Government is going after certain illegitimate law firms who have been gathering up the names of the soldier boys in order to get business from the relatives of those who will be killed in action in the collection of their insurance, pension claims, etc. And this is entirely right. These worse than shyster lawyers were planning to wax rich off those who knew no better in pressing claims against the Government and in making them think they had claims that they had not. These sets of cheap skate crooks secure the names of the relatives in various ways, their favorite one being to get some newspaper to secure the names for them under the guise that they want to keep in touch with soldier boys or some such pretense. These shyster firms then pay the paper so much per head for their services. The reason we know so much about it is that we recently received such an offer and with contempt refused it. These so called law firms are the carrion of creation and worse than the vultures that feed on the carcasses of fallen animals, and had we accepted their offer we would have been guilty of feeding with them. The activity of Secretary Baker in putting a stop to such schemes is another star in his immortal crown.

A Thoughtful Host

Mr. Thompkins was obliged to stop over night at a small country hotel, he was shown to his room by the one boy the place afforded, a colored lad.

"I am glad there's a rope here in case of fire," commenced Mr. Thompkins as he surveyed the room, "but what's the idea of putting a Bible in the room in such a prominent place?"

"Dat am intended for use, sah," replied the boy, "in case de fire am too far advanced foh yo' to make yo' escape, sah."—Hygiene and the Child.

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—“I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared.”—Mrs. M. GODDEX, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—“Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms.”—Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

WITH THE BOYS AT CAMP TRAVIS

B. B. Allsup from Gustine is acting corporal. Think Ewell's "snap" will bring him rapid promotion.

F. W. Clark, from Hasse, is also acting corporal. Clark will doubtless make Uncle Sam a valuable man.

Charlie Cloud is still a "buck" private and will be transferred soon. All will be transferred except the thirty-three sergeants, corporals, first-class privates, etc., who have been selected to remain with the 20th Company.

J. B. Green has returned from the hospital where he went some two weeks ago with a case of mumps. Jesse is missing lots of good drill.

PHONE NO. 88.

Jno. F. Kennedy can't decide whether he wants to be a horse-trainer, pigeon raiser, or cook. He jumps into every thing that comes along. Says he will be glad when the time comes when we can all return home.

Gerald C. Lassettter is expecting a transfer to the Ambulance corps. He was put in as acting corporal, but as he wanted to be transferred his name was dropped.

Van Poe Morrison, who lives at Granbury, but registered at Comanche, has gone home on a furlough to see his little daughter who has tuberculosis and is in a serious condition.

C. E. Morton is acting sergeant. He was somewhat surprised at receiving such consideration as Monday evening was the first he has been out on the drill field. Has been doing paper work in the office all the time and has had no opportunity to drill.

Well, the Comanche Tribe is somewhat scattered at this writing. Underwood, Allsup and Morton are the only ones left with the 20th Company. Allsup and Underwood will probably be transferred in a few days. That will only leave Morton. Don't know what they intend doing with him. The others were transferred to the 359th Infantry the 24th.

This transferring business has broken into our "non-coms," and in fact, has only left a few.

Lt. Webb took the company for a hike down the creek Saturday evening, and several of the boys took advantage of the opportunity to take a swim. Others had no bathing suits, consequently missed the pleasure. That goes to prove that you should always be prepared for any emergency.

The 20th Co. got EXCELLENT on the Major's inspection Saturday morning. Needless to say we were proud of it.

We are having ideal weather

and it gives you that feeling you have on the farm of wanting to "go fishing."

John B. Lassettter of Comanche, Ambulance Company 360, is confined to the base hospital on account of a slight attack of bronchitis, however it is expected that he will be on duty with his company again in a few days.

Pvt. Archie R. Hodge is attending the school for scouts and snipers and is making good grades in all his work.

Musician Alva C. Cox of the 345th Field Artillery Band, is preparing to go home on a furlough of five days. We wish Musician Cox all the pleasure that can be crowded into a few days.

Bugler Mitchell of Btry. D, 343d F. A. N. A., enjoyed a visit from his father March 23rd and 24th. Mr. Mitchell found his son at Camp Bullis where the 343d Regiment had gone for target practice.

Corporal Guy Nowlin of Sidney, but now with Btry. A, 343d F. A. N. A., is still making good in that organization. At present he is one of the non-commissioned rank officers while the battery is firing at Camp Bullis. This is a post of no little responsibility and Corporal Nowlin was chosen because of his ability previously proven.

Private first class Walter W. McNeil of Comanche has been promoted to Lance Corporal in Headquarters Troop, 90th Division.

Thos. H. Holden of Comanche, who is now in Headquarters troop 90th Division, has returned from the base hospital.

J. R. Waldrop of Battery B of the 345th Field Artillery at Camp Travis is proving himself a valuable man to his battery. He has for some time been assigned to the scout detail and is supposed to be one of the battery commander's most trustworthy assistants. Recently he has been promoted to first class private. No doubt further promotion awaits such a man.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Cure acts thru the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c.

A Declaration of Magnanimity

When in the course of martial events, it becomes necessary for the administration to issue another Liberty Loan, and to solicit from Americans that quantum of financial aid which the love of country and humanity may prompt them to offer, a decent appreciation of the greater sacrifices that others are making requires that everybody respond without hesitation, stint, complaint or exaggerated idea of his or her nobility in so doing.—Life.

For hoarseness, inflamed lungs or irritating coughs, BALLARD'S HOREHOUND SYRUP is a healing balm. It does its work quickly and thoroughly. Price 25c, 50c, and \$1.00 per bottle. Sold by S. P. Smith.

We have always been taught that it pays to be polite, but now comes a scientist and says the reason men are bald headed and the women are not is because men lift their hats when meeting ladies on the streets, and the many changes of temperature cause the heads to lose their hair. We are very glad to know that we carry constantly on our polished dome of thought abundant evidence of politeness.—Honey Grove Signal.

OIL NEWS!

Every citizen of Comanche County should be interested in the Oil development in the county. That there is oil in the County is true beyond question and is not doubted by any of the Oil prospectors that have visited this section. In fact all the real Oil Men have been anxious to secure acreage here and some are anxious to put down wells in the County.

As the County prospers from the oil industry, every man in it will prosper and as a consequence everyone should be doing all he can to secure a development of our Oil resources.

The biggest thing in the way of development is a few people who are afraid to lease their land or a few who want more than their land is worth.

Our desire is to secure drillers for those who have a large body of land or for communities who will "pool" their lands and we have been able to secure real developers to handle leases for many at the very best prices.

We urge every land owner to co-operate with us in this great move for it is only through co-operation that we can secure development.

List your land with us.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well-known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

That Turnip Patch Again.

Last week's Signal told the story of a little patch of ground, measuring three fourths of an acre, and what it has grown in one year. On said piece of ground, which is on the Rowton farm, there has been grown and sold since last spring \$150 worth of potatoes and \$160 worth of turnip greens. The owners have now discontinued the sale of greens and will let the turnip tops go to seed. The crop will then be cut and threshed and the seed sold. How much this will add to the yield of this little spot of ground for one year we don't know, but doubtless it will be considerable.—Honey Grove Signal.

In Memory of J. Q. Johnson.

On Monday evening, April 1, 1918, our Heavenly Father in his infinite wisdom, came into our midst and called home one of his own, our much loved friend and co-worker.

Bro. J. Q. Johnson was born May 31, 1878, in Monroe County, Tenn. was married to Miss Dorothy Beaty April 28, 1901. To this union was born 8 children, there being 7 surviving at his death. In the death of Bro. Johnson the community in which he lived, lost one of her best citizens, and Comanche county never had within her border a truer and nobler man.

He was a conscientious member of the Missionary Baptist church, which he joined in his young manhood.

In the language of the great Paul his everyday life was a "living epistle seen and read by all men." He lived close to the principles of Christianity as any one we ever knew; in fact during our acquaintance with him we never heard aught against him; not even a criticism. He was moral by nature, respected the laws of society, was a devoted Christian, a model gentleman, a kind husband, and an indulgent father.

The world is poorer since Bro. Johnson went home. None of us have been able to solve the mystery of his death. He went in the strong prime of his years when it seemed that his usefulness had not

quite yet reached its most glorious fruition. But it is not ours to solve the mysteries that are locked above the clouds. Down thru the vanished centuries comes the voice of the Master, and we hear His words "what I do thou knowest not now, but thou shalt know hereafter."

And now that this dear friend is to be with us on earth no more, who is there among us who would if he could change the majesty, the dignity and the grandeur of his devoted life.

Our hearts go out to his bereaved family, and in the loss of your dear one you can feel that he is now among those whom the great God rewards for a good and pure life.

A prudent mother is always on the watch for symptoms of worms in her children. Paleness, lack of interest in play, and peevishness is the signal for WHITE'S CREAM VERMIFUGE. A few doses of this excellent remedy puts an end to the worms and the children soon act naturally. Price 25c per bottle. Sold by S. P. Smith.

Letter from Soldier at Jacksonville, Fla.

Well, I will write you again and let you know I am still among the living and also to let you know that Comanche county is pretty well represented all over the U. S. as well as France. 750 left Camp Travis Thursday night, March 28, and got here Monday morning, April 1st. I am the only one from Comanche county that came in that bunch. Florida sure is some place and we saw lots of pretty country on the way down here. The camp here is a new camp and it keeps us pretty busy cleaning up. We are in a fine forest on the bank of the St. Johns River, and it sure is some stream too, as it is only a short distance from the coast, and alligators are as thick as fleas and mosquitos here that will glance a bullet.

I am in the quarter master's corps now, I would like my paper sent to me here, as I must have Comanche news. My present address is, 6th Rec. Co. Block O, Camp Joseph E. Johnston, Jacksonville, Fla.

Miss Mae Watson of Hamilton visited home folks from Friday until Sunday.

School closed here Saturday afternoon. A very successful term under the management of Mrs. Bennett of Edna Hill and Miss Wallace of Carleton.

Hazell basketball team played Macksville team; the game was 19 to 4 in favor of Macksville.

Quite a large crowd was present at the closing exercise Friday night which was a success.

The Misses Nelsons of near Gustine spent the week end with Miss Zelma Watson.

Ed Hancock has traded his farm to Mr. Donnell of near Gustine.

Mr. Gaines has the mumps at present.

Mr. Reed and family moved to Hamilton last week.

Mr. and Mrs. Clifford Wyche moved to the house on the Livingston farm, vacated by Mr. Reed.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels.

Don't scold your fretful peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of California Syrup of Figs, which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

Mothers of Texas, Prepare!

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. Many women in Texas would testify just as do the following:

HOUSTON HEIGHTS, TEXAS.—"My mother used Dr. Pierce's Favorite Prescription. She was in very ill health, was all run down and it seemed like she could not get anything to do her any good until she took this medicine. It did her more good than anything she tried and I am always willing to recommend it to friends who need a fine tonic."—MRS. JULIA STINSON.

FORT WORTH, TEXAS.—"I can recommend Dr. Pierce's Favorite Prescription to any woman suffering from woman's trouble or nervousness. I was very nervous and losing weight so fast I became alarmed over my condition. I could not do any housework. A friend told me about the 'Favorite Prescription' so I tried it and began gaining in weight at once."—MRS. LIZZIE EPPERSON, 1220 Gould Avenue.

Dr. Pierce's Favorite Prescription is not a secret remedy for all the ingredients are printed on the wrapper. All druggists. Liquid or tablets. Tablets, 60 cents. Send Dr. V. M. Pierce, Buffalo, N. Y., 10 cts. for trial package.

CLEANSER YOUR HAIR MAKES IT BEAUTIFUL, THICK, GLOSSY, WAVY

Try this! All dandruff disappears and hair stops coming out.

Surely try a "Danderine Hair Cleanser" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a small bottle of Knowlton's Danderine at any drug store or toilet counter and try it as directed.

Liberty Loans.

Day after day our transports cross the sea.

Hour after hour grim wood and marshy fen

Echo the tramp of brawny, dun-clad men,

Their young, fresh strength and stalwart energy

Pledged to a world's deliverance; while we

Who wave Godspeed, though barred from battle's ken,

Share, too, the blessed thrill of giving, when

Our lads are loaned for France and liberty.

Aye, we who needs must wait and bide behind

Have equal chance to help our country win

Through steady thrift and opportunity device;

And, lending her our stored resources, find

All selfishness and rancor melted in

The flame of universal sacrifice.

SOCIETY

The Presbyterian ladies surprised Miss Eula Clarke with a "parcel post" shower Thursday morning. All gifts were mailed so that they reached her at one time. Many dainty gifts testified to the love and appreciation they bear. Miss Clarke, whose rare personality and musical talent have endeared her to many friends.

A Shower.

Mrs. Oscar and Gib Callaway honored Miss Eula Clarke with a "kitchen shower" on Wednesday afternoon at the residence of Mrs. Gib Callaway. The house was artistically decorated with ferns and roses. On entering the guests were given cup towels to hem which were presented to the bride to be, Miss Eula Clarke. Judith Clarke then came in and announced that

Constipation and Indigestion

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that since she has felt like a different person.

MAKING A RECORD.

Our friend, G. S. Emert is a chicken fancier and as well an excellent poultryman. He is partial to the White Leghorn strain of chickens. He keeps chickens for the maximum egg production, and how nearly he comes to securing that production can best be seen by the following figures.

During the month of March his flock laid a few over 23 eggs per hen during the 31 days. During the month of February the experiments at A. & M. College showed an average per hen of 64 and 3-7 per cent. The record for Mr. Emert's chickens showed a per cent average of 74 and 6-31 per cent. This is some record and one of which Mr. Emert of course is duly proud. We extend our congratulations to Mr. Emert to be delivered to the hens.

DECLARES RESULT HAS BEEN AMAZING

Gained Eleven Pounds on Tanlac
—Troubles Are Gone Now
He Says.

It is not what the manufacturer claims for it, but the testimony of the multiplied thousands who have been benefitted by it that has made Tanlac the most famous medicine in the world today. A. Palmer of 534 South Pearl Street, Denver, Colorado, a well-known tailor who has been a resident of that city for six or seven years, in relating his experience with Tanlac, said:

"For several years I have had an awful lot of trouble with my stomach. Everything disagreed with me and after meals I would get that puffed up, bloated feeling and belch up my food sour and undigested. I got to the point where I was almost afraid to eat anything because of the suffering I knew it would cause me. I was constipated, had terrible headaches and my sleep was very poor. My system seemed to be all run down. I was losing weight and felt tired and worn out all the time and felt unless I could get the right medicine my troubles would soon become serious.

"My wife who had been keeping up with the Tanlac testimonials persuaded me to try it and it has not only relieved me of my troubles but has built me up amazingly. I have taken three bottles and my stomach is now in good shape. My appetite is fine and I can eat what I want without feeling a sign of indigestion. My constipation and headaches and all that tired feeling is gone and I have gained eleven pounds in weight, besides. Tanlac has been a great thing for me and I don't think anybody suffering like I did can make a mistake by giving it a trial."

"Tanlac is sold in Comanche by Hamilton Drug Co., in De Leon by T. P. Weaver & Son, in Proctor by City Drug Store, in Sipe Springs by Smith's Drug Store, in Duster by Tomlin Drug Co., in Sidney by E. A. Chastain, in Wilson by W. M. Redwine, in Lamkin by Carmichael & Cayle, in Gustine by I. Sadler and in Beattie by A. Clements."

For the stomach and bowel disorders of babies McGEE'S BABY ELIXIR is a remedy of genuine merit. It acts quickly, is pure, wholesome and pleasant to take. Price 25c and 50c per bottle. sold by S. P. Smith.

Not many of our candidates have been bold enough to electioneer with the women voters as yet. There is really danger in the proceeding. If a candidate hands a woman a card, he thus evidences a belief that the woman is 21 years of age, and this will give offense to most of our women. When in doubt, a candidate, in presenting his card to a dear young thing, should say, "I know you are not old enough to vote, but please hand my card to your mother or older sister." This will cinch at least one vote, and perhaps many more. It would be well for the candidates to also provide different cards for the lady voters. A neat little card bordered in delicate shades of blue and pink and scented with a favorite brand of cologne would be much better than the rough and ready kind of cards presented to the men.—Honey Grove Signal.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggists says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

WOMEN TORTURED!

Suffer terribly with corns because of high heels, but why care now.

Women wear high heels which buckle up their toes and they suffer terribly from corns. Women then proceed to trim these pests, seeking relief, but they hardly realize the terrible danger from infection, says a Cincinnati authority.

Corns can easily be lifted out with the fingers if you will get from a drug store a quarter of an ounce of a drug called freezone. This is sufficient to remove every hard or soft corn or callus from one's feet. You simply apply a few drops directly upon the tender aching corn or callus. The soreness is relieved at once and soon the entire corn or callus, root and all, lifts out without one particle of pain.

This freezone is a sticky substance which dries in a moment. It just shrivels up the corn without inflaming or even irritating the surrounding tissue or skin. Tell your wife about this.

Proctor.

Mr. Hershal Green of Camp Travis was over for a few days last week to see his parents. A party was given for him Thursday night which was enjoyed by all.

Mr. Raleigh Barbar of Brownwood was over last week on business.

Singing was well attended Sunday night. We will have singing on the second and fourth Sunday nights.

GIRLS! WHITEN SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

The Idler to be Drafted

The Senate of Kentucky has passed a bill drafting every able-bodied idle man in the state for work on public utilities. It will include men from sixteen to sixty years of age, and they will have to work at least thirty-six hours every week. This is a revolutionary but a good step. Every idler, unless forced by ill health or other circumstances to be such, is a parasite and as his influence goes a menace to the state. Work is essential to civilization and the enforced labor of the willingly idle is an important economic move.—Honey Grove Signal.

Nux-i-tone

Remarkable
Body Building

Tonic

INCREASES THE STRENGTH OF WEAK, RUN-DOWN AND NERVOUS FOLKS IN TWO OR THREE WEEKS TIME.

THE FOUR FUNDAMENTALS OF PERFECT HEALTH

The four fundamentals of perfect health and strength are: Rich Red Blood, Perfect Digestion and Assimilation, a Strong Nervous System and Healthy Kidneys.

When you are having these four you are enjoying the health that goes with THE PRIME OF LIFE. When you feel your strength slipping away, treat these FOUR and you can make no mistake. Or if you are weak, nervous and run down and pale, have no appetite and are unable to explain just how you feel, except that you are not RIGHT, you need a tonic that will treat these four and bring back that vigor and alertness of the prime of life.

NUX-I-TONE

does this and is daily MAKING THE WEAK STRONG, and restoring them to the full vigor of man and womanhood, by giving them the red blood of strength and health.

Thousands Need NUX-I-TONE

There are thousands of men and women who need a strength and blood builder, but do not know what to take. On our opinion there is nothing better than NUX-I-TONE for enriching the blood and helping to increase the

strength and endurance of men and women who burn up too rapidly their nervous energy in the strenuous strain of business competition and the manifold duties of household cares. NUX-I-TONE helps give a man or woman the power to put forth the extra effort necessary for the success of the undertaking of the day.

NUX-I-TONE

The Ideal Tonic

This Tonic, containing Iron, the great blood enriching mixture, and Nux Vomica, the powerful digestive stimulant in combination with beef and wine for tissue building, is recommended especially for convalescents, weak women, aged persons, and delicate children. It is a special benefit to persons who do not have sufficient iron in their blood as is indicated by unusual paleness and anaemic conditions. NUX-I-TONE is an excellent strengthening tonic for pale, run-down people and gives them vitality, and is especially recommended for children who need iron in their blood. NUX-I-TONE will ward off failing strength, and if taken at the first sign of weakening, short breath, etc., will right the internal wrong and restore the vigor and health of youth.

PRICE \$1.00 PER BOTTLE.

ABSOLUTELY GUARANTEED WITH THE STRONGEST GUARANTEE THAT CAN BE GIVEN.

If after you have taken NUX-I-TONE you have not been helped and do not gain strength we will gladly refund every penny you have paid us. No stronger guarantee can be given.

WAR BREAD RECIPES

Note: The recipes below are furnished us by the Domestic Science Department of the High School and are the recipes by which the war bread displayed in the Domestic Science display at the school fair were made.

Quick Potato Rolls.

1 c mashed potatoes.
1-2 c scalded milk or hot water.

3 tb. shortening.
1-2 t salt.
1 cake compressed yeast (soaked in lukewarm water.)

Mix thoroughly the first five ingredients and when lukewarm add yeast mixture, and 1 c corn meal plus 1-2 c rice flour or enough to make a soft dough. Cut dough through and through, also knead well. Cover and let double in bulk. Shape into rolls and let double bulk again. Bake 25 minutes in moderately hot oven.

Bran Muffins.

(Liberty Bread Shop, Boston.)

1 c entire wheat or rice flour.
1 c bran.
1-4 c molasses.
1 t salt.
1 t soda.
1 c sour milk.

(1-2 c nut meats may be added.)

1. Mix and sift dry ingredients.
2. Add remaining ingredients.

3. Bake in hot muffin tins 25 minutes or in loaf 45 minutes.
